

Huggable Pawphans™

Room for one more? Adopt a new Huggable Pawphan today!

For immediate release

New to the RSPCA Pawphans family are the large Huggable Pawphans, the sweetest super soft cuddly plush dogs with gorgeous “take me home” eyes.

This King Charles Spaniel is looking for a new family and a special name. He is playful and loves meeting new people. Like all King Charles Spaniels, he is easy to train, enjoys a good run in the wide-open spaces and loves to swim. With such a beautiful long coat he needs lots of care and attention to keep well groomed.

Like this King Charles Spaniel, there are lots of RSPCA Huggable Pawphans looking for a home. There are so many breeds to collect, each with unique care needs. Look out for the Dalmatian, Boxer, Mixed Breed, King Charles Spaniel, Golden Retriever and Border Collie all looking for loving families. How can you resist their longing eyes?

These friendly and delightful companions really need a home and with every adoption you will receive a collar and name tag so you can officially name your new best friend.

A portion of the proceeds from the sale of each RSPCA Huggable Pawphan goes to the RSPCA, helping to protect homeless and sick animals and wildlife!

RSPCA Australia spokesperson Jane Speechley explains, “RSPCA Huggable Pawphans toys are like the many animals in the RSPCA shelters with unique personalities, waiting for a home. As many families are unable to adopt a pet from our shelters, this is a great way for kids to show their support through taking home any of the RSPCA products!”

Make room in your home for RSPCA Huggable Pawphans and they will reward you with lots of love and, of course, HUGS!

Available at all good retailers in April RRP \$24.99
