

Glodoodle™

Draw, colour or create: Glodoodle instantly illuminates!

For September Release

What's always bright and works both Day and Night?

It's Glodoodle!

Glodoodle lets you magically create drawings with vibrant bright light using your finger or the included drawing stylus!

It has an amazing transparent window that lets you trace almost anything!

It's the fun new way to **draw** with light.

Lights off or even lights on, your art will always glow super bright!

Magically create robots and stars that really shine at night!

Then just press to instantly erase so you can create again and again!

Play tic tac glow, word and drawing games!

And with three bright colours to choose between you can create in red, yellow and green!

Take it here, take it there! With the handy carrying case **Glodoodle** is light-drawing fun anywhere!

With cool tracing cards you can create your very own bear, bird, butterfly, ladybug, seahorse or plane! Just check out www.glodoodle.com to download them all!

Glodoodle! The all new way to create with bright light! RRP **\$39.99**
