NO HEAT
NO GLUE
NO MESS

Sparkle and Shine with the new Beados Jewellery Pack!

For immediate release

May 2008

Now you can make beautiful bracelets, rings, necklaces, headbands and more with the new Beados Jewellery pack!

The Beados Jewellery Pack has everything you need create colourful and fun jewellery designs! Use the special bead connectors to attach the Beados to the jewellery pieces and interchange your designs as much as you like!

The Jewellery Pack comes with 750 Beados beads, including special glitter beads to make your creations really sparkle and shine! And when you are finished you can store all your special Beados beads and creations in the glitter jewellery box which you can even decorate with your Beados designs!

In each pack there are two wonderful themes for you to create. Make the beautiful butterflies and flowers from Butterfly Magic and the amazing stars and fairies from Fairy Fantasy. What more could a girl want? You can also use your imagination to create unique designs using the beautiful bead colours in each pack.

Just lay out your design on the special Beados tray, then spray them with water and your artwork will magically set in place. It is so easy!

This special new Beados product is available in June at all good toy stores and retailers. Suitable for ages 4 and up. RRP \$29.99
