Tip it, drop it, turn it upside down! With Moose's New No Spill Bubbles you won't lose a drop!

New to Moose's extensive range of bubble products is No Spill Bubbles; the bubble mix that never spills!

It's no surprise that kids love bubbles, but now Mums and Dads can enjoy them just as much. If the No Spill Bubbles container gets tipped over, the bubble mix stays safely in the container, preventing messy floors, and messy hands!

This safe play bubble mix is Non-Toxic, has no dyes, and comes in your child's favourite character theme; Dora the Explorer!
