## Make Beados EVERYWHERE! ...with the Beados Travel Pack

For immediate release

May 2008

In the car, on the plane, in the bus, or on the train; make your Beados creations 'on the move' with the Beados Travel pack!

Check out the specially designed drawer that catches any beads you spill!! When you have finished, store all your creations and Beados accessories securely in the secret drawer. Packing up is just so quick, easy and mess free!

The Beados Travel Pack also comes with a combined tweezer pen and mini sprayer! Use the tweezer pen to place your beads on the tray, and then spray with the mini sprayer to set them in place! Check out the six cool bead colours and awesome template designs that are heaps of fun to create!

This clever Beados Travel Pack is available in July at all good toy stores and retailers.

Available at all good retailers. Suitable for ages 4 and up. RRP \$17.99
